Specifications	As per technical specification given with each item in above SOQR and direction of EIC as per approved drawings.
Site Team Contract	ATANU NANDY- 8240343188 SOHAM SAHA - 7003680364
Rate	As per above SOQR
Quantity	The quantities given in above SOQR are estimated figures and are liable to increase or decrease as per actual site provision.
Completion Period	As per agreed work schedule.
Safety at Site	The agency has to follow the below HSE regulations while working inside ORBL site premises:- a. Wearing PPE is a must by every worker during working hours inside site premises in project area at all times. b. No workers below the age of 18 years of age shall be allowed to work inside the project. c. All workers must follow every Safety Regulation given by the HSEO at site mandatorily. Proper precaution while working at heights, working with machinery etc. shall be taken as per ORBL guidelines. d. Labour Hutment premises shall be kept free of dirt and debris. e. Proper Housekeeping is a must not only for Labour Hutment but also for company issued materials. f. You shall be responsible for any accidents at site due to negligence on your part and shall provide immediate medical care to your staff/labour at your cost and risk. In case of neglecting the above suitable penalty will be levied in case of HSE norms violation and final decision will be depending upon the HSEO & concerned EIC.
Force Majeure	If at any time during the continuance of this contract, the performance is prevented or delayed by reasons of any war, act of invasion, rebellion, or riot, flood, earth quake or any acts of forces of nature, which could not be foreseen then it will be consider as an act of force Majeure and work may be temporarily abandoned. However, no claim on this account will be allowed on this account. The completion period will automatically be extended for such period and work.
Resolution of Disputes	All disputes of difference of opinion, on account of interpretation of clauses, technical specifications etc. shall be resolved through direct and mutual discussions at site level. In the case of differences of opinion still persisting then the decision of ORBL managemnet shall be deemed final and binding to the agency.
Mode Of Measurement	All measurements shall be recorded in accordance to IS 1200 and as per actual work done by the agency at site duly certified by ORBL
Quality Of Work	The agency has to adhere to all QA/QC norms while working in a specific activity as per detailed work methodology specified by ORBL QA/QC Engineer at site. Any breach in Quality of executed work beyond tolerance limit is non-negotiable. In case any ambiguity in work occurs, the agency shall repair the same & make good the erros within specified time frame failing which suitable deductions may be levied.
Idle Labour Charges	Not Appilcable under any circumstances.
Escalation Of Rate	This is a firm rate contract and any escalation of rate is not applicable throughout the contract period.
Tools & Plants	ORBL shall provide Concrete Pump, Pipeline, Batching Plant, RMC, Vibrators & Needles etc. to the agency. However, basic tools & tackles to complete the work shall be given by agency.
Site Condition	While awarding this contract , it is understood that the agency is well versed with the existing site conditions and working conditions prior to start the construction work. Any claims pertaining to the above at a later stage of the project work shall not be entertained under any circumstances.
